Good Morning,

BGR Group represents the Republic of Azerbaijan. As you may be aware, Azerbaijan is playing a critical role in fostering European energy independence in the face of coercive and destabilizing actions by Russia.

I wanted to bring your attention to recent engagement by National Security Advisor Jake Sullivan with Hikmat Hajiyev, Head of the Foreign Relations Department of the Presidential Administration of Azerbaijan. Sullivan and Hajiyev marked 30 years of positive relations between the U.S. and Azerbaijan, and Sullivan thanked Azerbaijan for its efforts to facilitate energy flows to Europe, and recognized Azerbaijan's efforts to promote peace and security in the region.

The full White House readout is available [here](#).

Please let me know if you would like to engage with the Embassy about Azerbaijan's efforts to support energy independence in Europe, or about its efforts to spread peace and stability at a time of increased Iranian malfeasance in the region.

All my best,  
Mark
